

How to apply through University Admissions

An instruction for Chemistry Section interns

After you have confirmed your internship with a supervisor please read the information, and follow these instructions carefully on how to apply. The Chemistry Section policy is that all interns should be registered as students while doing practical work with us.

Please read instructions carefully and follow them, all incomplete applications will be deleted!

- All the information you need on how to document your eligibility to study with us.

<https://www.universityadmissions.se/en/All-you-need-to-know1/Applying-for-studies/Documenting-your-eligibility-for-studies/Instructions-for-Bachelors-applicants/>

- Many applications fail due to not having shown enough background in English, here you can check what documents you need to supply. Just find your country in the list

<https://www.universityadmissions.se/en/All-you-need-to-know1/Applying-for-studies/English-requirements/>

- Checklist, what documents do I need to provide:

<https://www.universityadmissions.se/en/All-you-need-to-know1/Applying-for-studies/Documenting-your-eligibility-for-studies/Instructions-for-Bachelors-applicants/What-do-I-need-to-submit/>

- All documents ready? Then it is time to apply! Go to [universityadmissions.se](http://www.universityadmissions.se). Search the course code that has been given to you by your supervisor or the international coordinator of the Chemistry Section.
- When you think your application is complete, send an e-mail to charlotte@kol.su.se. We will need to approve your application manually.

Please note that we will not be able to assist you in finding housing. Please refer to this website for suggestions on how to find housing on your own.
